## Welton

Welcome to The Green Dragon, a 17th Century Coaching Inn situated in the picturesque village of Welton. The pub has a long and chequered history (the highwayman Dick Turpin frequented the establishment before his capture) and it remains the heart and soul of the hotel, along with our popular and friendly bar. The Green Dragon has 11 en-suite hotel rooms located in the external stable block and all are comfortably furnished and homely. We hope you enjoy your visit to The Green Dragon.
